## Buy Green with Tufts Purchasing Partners

### Copiers
- Toshiba machines energy-star compliant; double-sided printing now the default
- Recyclable toner cartridges, recycled plastic housing on Konica black machines
- Networked copiers use less energy and money than desktop printers

### Furniture
- Recycled/recyclable products available
- Local manufacturer AIS available through Workplace with "lean manufacturing"

### Computers
- Buy energy-star rated machines

### Moving
- Reusable crates and/or recycled packing materials available
- Some reduced emissions and/or biodiesel vehicles available
- Ask for furniture donations and/or recycling

### Office Supplies
- Staples offers a wide variety of recycled products
- Also look for small and/or woman-owned business certifications (SWE)
- Roxbury Technology Corporation remanufactures toner cartridges

### Paper
- Staples 30% recycled now priced at discount
- Print & publications partners offer recycled options

### Promo Products
- A variety of green promotional items are available
- Fair labor standards used by both partners

### Scientific & Dental
- Search for "green" products on supplier websites (VWR, Fisher, Schein)
- Purchase post-consumer waste or corn-based plastics

### How to Buy
- Use Tufts Marketplace online business-to-business system
- Use electronic requisitioning system
- Use p-card for small dollar transactions
