Creating an ISOS Emergency Record –

1. Log on to ISOS and select “Emergency record”. You can access ISOS within the Tufts network or go directly to the ISOS website and enter our membership number 11BCPS000093.

2. The first time you will need to create a profile (this is a one-time step). Select “sign-up”

3. You will then be taken to the registration page –

4. Once you’ve created your profile, you can continue to creating your emergency record –
5. You can then select the information you wish to provide. Please note that only ISOS will have access to this information in order to respond to an emergency. Our office does not have access to this information. We recommend supplying at least one emergency contact in the US as well as storing a scanned copy of your passport.
